20th October 2017

Dear Parents and Carers

Federation Proposal

As you know Walmore Hill School shares its Headteacher with Blakeney and Pillowell Federation in a collaboration that has created great opportunities for children and staff. The Governors of both Walmore Hill and Blakeney and Pillowell Federation feel the time is now right to make this a formal arrangement and that Walmore Hill should join the Federation. Before this happens there will be a wide ranging consultation process involving parents, carers, Local Authorities and other interested parties and it is important your views are considered. More information will be made available over the next few weeks.

Yours sincerely

John Henry

Chair of Walmore Hill School Governors

Stephen McMillan

Chair of Blakeney and Pillowell Community Schools Federation
