Dear Parents,

The weeks are going by quickly, and it won't be long until the end of term. We have tried to plan some of the usual end of Summer term fun for the children. However, there are some differences. Although there have been some relaxations generally amongst the social distancing rules within our society, we have to take into consideration the Health and Safety of everybody in and around school. This has meant that over the last 15 months, events held at school have been affected. Below is a list of dates and activities with details.

Sports Day - Friday 2nd July

We will be having a Sports Day at school on Friday 2nd Jul. However, we will not be inviting parents to watch, as spectators this year. I hope you understand. As I write, I am aware that several schools locally have needed to close either a class or the whole school. This is something we very much wish to avoid and need to take as many steps as possible to mitigate this. We will be photographing and videoing the day's events and will make this available to you by the end of term. We will send home a separate permission form for photos.

Year 6 Leavers

There will be a Year 6 picnic 'celebration' on Thursday 15th July. In the past we have invited all of the parents to attend, but this year we can only invite two people from each of the Year 6 families to join us. The event will be socially distanced on our school field (weather permitting). Further details will be sent to Y6 parents nearer the time.

Mrs Loten goodbye

As you will have seen we are saying goodbye to Mrs Loten. We are going to have a tea party for her on Wed 14th July. The children should wear their best party clothes for an outside tea party. We know that some of the parents will like to say goodbye. Due to restrictions, we can only have 20 extra people outside for the party. Cygnets class parents will be given priority. Please contact Jo if you would like to attend. It will be on a first come, first served basis.
