New Office and School Entrance

The building work is nearly complete and will be finished during the Easter holidays. As the 8:30am drop off has worked so well we are planning to continue this. After Easter the children will enter school via the playground as before. The new reception area will be in use from Monday 24th April. We will be having a formal opening of the new building and we will let you know the date as soon as possible. It is a fantastic addition to our school and definitely a cause for celebration!

**RED
NOSE
DAY**

We raised £102!!

Thank you

Easter Assembly and Craft Activities

Friday 7th April at 1pm

To celebrate Easter and the end of term, we would like to invite you to an assembly starting at 1pm in the hall followed by craft activities in the classroom. The children have been busy practising their songs and poetry for the assembly.

We will also be running two competitions:

Easter Bonnet Competition

We will have an Easter Bonnet Parade during assembly and prizes for the best bonnets! Please bring your decorated bonnet in on Friday.

Decorated Egg Competition

We look forward to seeing your designs which we will display in the hall for the assembly ready for judging. Please bring the eggs in on Friday and make sure your child's decorated egg is hard-boiled and named.

Cake Sale and Raffle for Easter Hampers

We will also be holding a raffle for Easter hampers and having a sale of cakes for you to take home.

Could we please have donations of chocolate for the hamper and cakes to sell on the day.

We are raising money on behalf of the School Council to buy outdoor equipment.

Thank you.

Cygnets Class

*Supporting Children with Reading meeting *NEW DATE**

Mrs Loten has spoken to some parents about a session in class to help support your children with their reading. This has now been changed to Tuesday May 2nd at 2:30pm. A letter will go out next week.

School Council News

"On Tuesday we went to Blakeney School to talk about **Anti Bullying**. All the School Councils from Blakeney, Pillowell and Walmore Hill met in a classroom with Mr Powell and we all answered some questions between the schools. We are going to look at our Anti Bullying Policy and meet up again. One suggestion is painting eyes in areas called 'hotspots' where children can't always be seen. Or if you don't want to paint eyes the areas can be coned off to stop children going into these areas"

Summer, Year 4
